

He told the crowd to sit down on the ground. When he had taken the seven loaves and given thanks, he broke them and gave them to his disciples to set before the people, and they did so. They had a **few small fish** as well; he gave thanks for them also and told the disciples to distribute them.

The people ate and were **satisfied**.

## TESTIFY

God has given Jonas means to creatively capture attention with stories, imagery and the music he presents. He is an effective teacher. We were delighted with what God had him bring to our weekend retreat for two combined churches!

For over 9 years now, I've had the privilege of watching God shape and mold Jonas into a sincere and passionate sharer of Christ's truth and His way. Through Few Small Fish, I see Jonas revealing a beautiful picture of Christ's love and transformational power as God reveals it to him, shamelessly, meaningfully, musically and amusingly.
